COMITTEE MEETING: The GVL2040 Steering Committee received an overview from Planning Consultants and engaged in group discussions regarding the following agenda.

1. Project Update and Timeline Review

Consultants shared with the members that Phase 2 of the project is complete at the end of November, and next month, December, will be moving into Phase 3.

2. A Roundup of Phase 2 – “What is Happening”

Consultants presented to the committee data baselines and trends.

3. Defining Progress and Desired Outcomes – Exercise

Members actively engaged with one another and the planning team on proposed core values and planning principles. In addition to the proposed core values, discussion arose regarding sustainability, meaning of prosperous, and economic income level. Discussion regarding the proposed planning principles included how these are to be guiderails for decision making, potential tradeoffs, and the importance of setting appropriate principles. The members then engaged in three dot poster activities pertaining to ‘What does progress mean to you’ on three issues: transportation and congestion; open space and the environment; and affordable housing. These poster activities were also presented at the Public Open House 2 on the following day.

4. Preview of Phase 3

Planning consultants shared a brief overview of Phase 3, Growth and Change Scenarios.

5. Next Steps

Members received direction on project assignment and upcoming dates.
